INDUSTRIAL TOURS AND VISITS

Industrial tours and visits play a crucial role at UG level. It moulds the student as industrial expertise by the practical exposure. Industrial tours provide students with practical understanding of how theoretical knowledge is applied in the real world of industries. Gain practical knowledge about the manufacturing processes, operations, and technologies used in industries. Student can understand regarding the work environment. The experience helps to bridge the gap between classroom learning and practical implementation. Students gain insights into the equipment using in the industries. So that the student can understand deeply in the selected field of study. The industrial tours facilitate interaction between students and industrial professionals. It develops analytical skills and attention to work. Student can know various career opportunities in selected field of study. It provides holistic education with theoretical education with practical exposure.

The Government Degree College, Gummalakshmipuram regularly conducts Industrial Tours and Visits for enlighten students through physical visit to Industries. The College conducts regularly industrial visit tours. So that students would be gain practical exposure and experience.

Objectives:

To gain practical exposure.

To enhance technical knowledge

To facilitate interaction between students and industrial experts.

To understand how theoretical knowledge is applied to real world of industrial settings.

To observe and analyse the industry environment.

To know various opportunities in the selected field of study.

To motivate and inspire to excel in their studies and work towards achieving their career goals.

Details and Brief Reports about the Departments visits as follows:

- ➢ Gitam University visit-18-03-2025
- ➢ Sankhya Technologies Pvt.Ltd. visit- 18-03-2025
- ➢ Inspiredge IT Solutions visit- 18-03-2025
- ➢ Andhra University visit- 18-03-2025

DEPARTMENT OF COMPUTER SCIENCE

GITAM UNIVERSITY VISIT-18-03-2025

A Gitam University visit can be a valuable learning experience for Computer Science students as it provides them with an opportunity to observe and understand real-worldwith the theory, design, development, and application of computer hardware and software. .

OBJECTIVES:

- ➢ Practical Exposure
- ➢ Knowledge Enhancement
- ➢ Application of Classroom Learning
- ➢ Career Exploration
- ➢ Networking and Industry Connections
- ➢ Understanding Industry Trends and Innovations
- ➢ Safety and Environmental Awareness

About the Industry Visit:

Department of Computer Science organised a Field visit for final year B.Sc & second year students as it is important for out going students to acquire real time experience. Students actively participated and

interacted with the Professors of Gitam University and learned new things.

INSPIREDGE IT SOLUTIONS VISIT- 18-03-2025

A Inspiredge IT visit can be a valuable learning experience for Computer Science students as it provides them with an opportunity to observe and understand real-world

OBJECTIVES:

- ➢ Practical Exposure
- ➢ Knowledge Enhancement
- ➢ Application of Classroom Learning
- ➢ Career Exploration
- ➢ Networking and Industry Connections
- ➢ Understanding Industry Trends and Innovations
- ➢ Safety and Environmental Awareness

About the Industry Visit:

Department of Computer Science organized a IT visit for final year B.Sc. & Second year students as it is important for outgoing students to acquire real time experience. Students actively participated and interacted with the Lead- Talent acquisition G Prashanthi and learned new things.

# SANKHYA TECHNOLOGIES PVT.LTD. VISIT

OBJECTIVES:

- ➢ Practical Exposure
- ➢ Knowledge Enhancement
- ➢ Application of Classroom Learning
- ➢ Career Exploration
- ➢ Networking and Industry Connections
- ➢ Understanding Industry Trends and Innovations
- ➢ Safety and Environmental Awareness

Brief Report on Industry Visit

Since its formation in the year 1996, Sankhya Technologies has been at the forefront of research and development into the creation of model driven automation platforms that empower design teams to efficiently create the next generation of software and hardware systems through agile system development methods. Sankhya continues to work on next generation design languages and platforms that enable global system level optimization for complex electronic embedded devices, leading to lower cost devices thereby taking the benefits of technology to rural and value conscious urban markets.

Out comes:

- ❖ Enhanced understanding
- ❖ Practical application of theoretical concepts
- ❖ Exposure to industry practices
- ❖ Inspiration and motivation
- ❖ Identification of career prospects

ANDHRA UNIVERSITY VISIT ON 18-03-2025

OBJECTIVES:

- ➢ Practical Exposure
- ➢ Knowledge Enhancement
- ➢ Application of Classroom Learning
- ➢ Career Exploration
- ➢ Networking and Industry Connections
- ➢ Understanding Industry Trends and Innovations
- ➢ Safety and Environmental Awareness

Brief Report on A N D HRA UNIVERSITY Visit

Department of Computer Science organised a Field visit for Computer Science students at Andhra University which is situated Visakhapatnam, Where we met HOD of CS& SE

Dr. Kasukurthi Venkata Rao, a Professor in the department of Computer Science and Systems Engineering, is currently the head of the largest department in the University. He holds vast teaching experience spanning 28+ years. He is one of the first generation under graduates in Computer Science and Engineering discipline which was introduced in early 1980's in India. He is an acclaimed teacher among generations of students whom he has taught with his holistic knowledge in the subject combined with his innate pedagogical skills
Prof.K. Venkarao,HOD of CS& SE, Andhra University

A Brief report of Institution Industrial Tour on 18-03-2025

Objective: **The objectives of Industrial tour are :**

- ➢ To inculcating the habit of doing by learning.
- ➢ To make them get awareness about entrepreneurship.
- ➢ To know the Usage of paper plates which are biodegradable.
- ➢ To provide the students an insight regarding the internal working of companies.

Number of Participants: **Students: 52 andStaff:02**

Visited Place: Gitam University, Andhra University,

Sankhya Technologies Pvt. Ltd., Inspiredge IT Solutions

Visakhapatnam

Purpose of Programme: Industrial visit has its own place of importance in a career of a student who is pursuing a professional degree course like B.Com/B.Sc. In fact, it constitutes a part of core course curriculum taught at the college. The objective of an industrial visit is to provide the students an insight regarding the internal working of companies. Today, we all perfectly understand that theoretical knowledge is just not enough for a successful professional career. It is here that by going beyond academics, industrial visit provides students a much relevant practical perspective of the actual work place and the larger world of business. All this makes the importance of Industrial visits all too evident, especially for students pursuing a professional management course like BCom, B.Sc.
Importance of Industrial visit :

- ➢ Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices.
- ➢ It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms.

- Industrial visits are arranged by colleges for their respective students with an objective of providing them an opportunity to explore the different industry sectors like IT, manufacturing, services, finance and marketing.
- Industrial visit helps students to combine their theoretical knowledge of business operations with the practical knowledge of its actual functioning.
- Industrial realities are opened to the students through industrial visits.
- When pursuing a professional degree like BBA, industrial visit has its own importance for students because only the theoretical knowledge is not sufficient for their proper understanding of the actual business operations at the ground level.
- The practical knowledge of how a business can be started and what are the real life challenges being faced can only be learnt through have practical experience from industrial visits.
- By way of interactions with the staff of the industry, students get more exposure towards the current work conditions of any industry.
- Another important perk of going for an industrial visit is that it acts as a bridge between the student and their dream company. The chances of building-up a good relationship with the employees and actually getting an opportunity for an internship or even placement in that company is maximum based on their outstanding performance in spot assignments and showing good manners.
- The employee contacts are precious especially when the students wish to pursue the same career.
- Last but not the least, the certificate of participation in an industrial visit is an added advantage to showcase in one's resume.

In conclusion, it can be said that 'Industrial visit is a most practical approach towards learning through interaction, working practices etc. and hence gives a perfect reality check to the students.
